

STEP 1

## ***Complete the BSA Youth Application form***

- Be sure to fully complete the form

STEP 2

## ***Complete the Troop 373 Registration form***

- The troop registration form collects information like email addresses, additional phone numbers, and other pertinent information
- You can either complete the paper form or fill in the information online once you have a login for the troop website

STEP 3

## ***Submit the registration fee***

- Submit application and current registration fee to unit treasurer. Make checks payable to "Troop 373"

Optional

## ***Complete the BSA Health History form***

- Health history form parts A and B are required for all scouts and adults who plan on attending an overnight event
- Parts A and B do not require a doctor's signature; however, part C (required for summer camps) requires a doctor's visit
- Health history forms are available at scout meetings (paper) or on the troop website (electronic)
- Turn the completed health history form into the unit leader or upload to the troop website

**go to [www.ScoutSpace.org](http://www.ScoutSpace.org) for more details and electronic forms**
